Exam Code: 190-601

Exam Name: Notes Domino 6/6.5 Application

Development Update

Vendor: Lotus

Version: DEMO

Part: A

1: Greg has added his favorite text editor to the Domino Designer IDE using the Tool>Add Tool menu option. He wanted to be able to access the text editor from anywhere in Domino Designer, but it is only available as a Tools menu option when he is in a Forms List. Which one of the following can Greg do to have the editor appear on the Tools menu, regardless of which design element he is working with?

A.Change the Tool Context for the Text Editor to "All".

B.Change the Tool Visibility for the Text Editor to "All".

C.Change the Tool Context for the Text Editor to "Always".

D.Change the Tool Visibility for the Text Editor to "Always".

Correct Answers: C

2: Kayla has created a form that uses a Data Connection Resource to link some of the form fields to an external relational database. She has defined the Customer Number field as a key field. When a user performs an update using the form, all external database fields are updated except for the Customer Number. DECs is installed. Which one of the following should she do so that the Customer Number field can also be updated?

A.Nothing. Key fields cannot be updated.

B.Make the Customer Number field an editable field.

C.Reinstall the ODBC driver used to connect to the external database.

D.Ensure that the Data Connection "Block key field updates" option is not selected.

Correct Answers: D

3: Which one of the following best describes where extended ACL (xACL) is available?

A.Any Application database, Extended Directory Catalog, Domino Directory

B.Any Application database, Administration Requests database, Domino Directory

C.Administration Requests database, Extended Directory Catalog, Domino Directory

D.Any Application database, Administration Requests database, Extended Directory Catalog

Correct Answers: C

4: Joe frequently uses a style sheet editor when designing within the IDE. Which one of the following best describes how he would add this tool to his tools menu in the IDE?

A.Choose Edit>Add Tool.

B.Choose Tools>Add Tool

C.Choose Tool Bar>Add Tool.

D.Choose Edit>Tool Bar>Add Tool.
